Sustainability tips

Be conscious of your water use in the dry months (May - October).

Please be mindful of your energy use.

Always turn off the water heater before showering for safety reasons and to save energy!

Remember to turn off the lights when not in use.

Don't throw paper in the toilet! Please use the toilet bin.

We strongly recommend using biodegradable soaps and toothpaste. You can find them in our Shop. Contact us for availability. Our garden will thank you!

Please collect your organic waste, such as food scraps and **empty them in the compost bin behind the SHOP**. Our chickens will be grateful!

Please don't throw cigarette butts on the ground and avoid using barbeques due to the fire risk

GENERAL INFORMATION

- **Washing machine:** You can use the washing machine located on the side balcony of the Lilac House.
- **Water filter:** For **drinking water**, use the kitchen water filter. While our tap water is drinkable, the filtered water is extra-purified. Refill the top compartment and wait for it to filter down. Then, simply open the tap and enjoy!
- **Wifi:** Connect to the strongest "OliveNet" network around your cottage. The password for all the wifis: **chickendonkeyhorse**
- **Pet Guidelines:** If you have a **dog**, please be careful as we have free-range chickens in Nectar. **To prevent any incidents, kindly keep your dog on a leash.** The chickens and cats may be a bit invasive. **Please be understanding and ensure your food and trash is kept secure to avoid any feline intruders.**
- **Please leave your house key on the door at your departure.**
- **Let us know how we can improve your experience. Tell us if something is missing or broken so we can replace it!**
